## We're Meant to be Remarkable

(Modified words by: Hope King/Carrie Gaffney)

If only you saw what we can see
We want to reach every goal oh so desperately
We're working hard even when it gets challenging
Will just show...oh oh...

We want to be remarkable Oh oh oh...That's why we're remarkable!

Our future's bright
We're sure to shine
Cause this knowledge is flooding our minds!
And I can see,
You here with me
One big team being all they can be!

Everyone here in the school will see it, Everyone knows that it's true

We're gonna light up this school like nobody else Believing we can achieve, we'll reach any dream! Just look inside of our room it ain't hard to tell You'll always know oh oh...

We want to be remarkable!

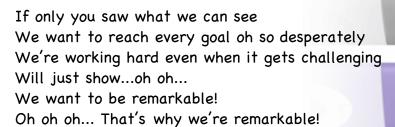

Na, na, na, na, na, na, na, na Na, na, na, na, na, naaa

Na, na, na, na, na, na, na, na Na, na, na, na, na, naaa

We're gonna light up this school like nobody else Believing we can achieve, we'll reach any dream! Just look inside of our room it ain't hard to tell You'll always know oh oh...
We want to be remarkable!

Light up this school like nobody else
Believing we can achieve, we'll reach any dream!
Just look inside of our room it ain't hard to tell
You'll always know oh oh...
We want to be remarkable!
